

Office of the Sark Electricity Price Control Commissioner

## **Notice**

**14<sup>th</sup> December, 2018**

SEL's lawyers have confirmed that the 66p kWh charged for electricity consumption in November was charged in error.

Accordingly, SEL will credit its customers' invoices for the 14p kWh difference for the November consumption within their December invoices. SEL will also make an announcement on its website along these lines shortly.

Anthony White

Commissioner
